Securing Capacity with the Simplicity of MyCarrierPortal and Parade

MyCarrierPortal + Parade:

Elevating Brokerage Operations Together

MyCarrierPortal and Parade have joined forces to offer freight brokers a seamless solution for comprehensive onboarding and compliance. Here's why you should leverage our integrated tools:

MyCarrierPortal

+

Parade

With MyCarrierPortal and Parade, freight brokers gain access to:

- Comprehensive onboarding tools for verified carriers.
- Enhanced compliance features to confidently complete secure transactions.
- Proactive fraud protection with proprietary carrier identity and email verification.

By leveraging our integration, freight brokers can:

- Streamline carrier verification processes.
- Focus more on core business operations rather than administrative tasks.
- Book more freight securely and efficiently.

Partnering with MyCarrierPortal and Parade means:

- Saving time with automated load booking processes.
- Saving money by reducing carrier onboarding costs.
- Increasing gross margins through improved pricing strategies.
- Seamless integration across the entire freight tech stack for centralized workflows.

Book more freight securely and streamline your brokerage operations with MyCarrierPortal and Parade today
