

# Enhance Partnerships with MyCarrierPortal & Denim Integration!

## MyCarrierPortal + Denim: Streamlining Onboarding and Factoring for Freight Brokers

Denim and MyCarrierPortal are proud to join forces, bringing you a flawless new integration! Here's why this collaboration is a game-changer for brokers and carriers:

Experience lightning-fast and super-effective onboarding processes:

- Seamlessly onboard carriers and brokers with enhanced synergy.
- Streamline operations with accelerated onboarding workflows.
- Bid farewell to mundane data entry and hello to elevated partnerships.

Sync up effortlessly with MyCarrierPortal:

- Create a harmonious blend of comprehensive carrier profiles.
- Access real-time ACH information and beyond with just a click.
- Make communication a breeze with instant access to vital data.

Unlock growth opportunities with Denim's tech-forward factoring solutions:

- Save time with a 75% reduction in manual invoicing tasks.
- Control time-based savings and choose which jobs to factor.
- Gain trust with transparent fee structures and flexible contract terms.

Ready to streamline your operations and build robust relationships? Dive into the excitement of the MyCarrierPortal and Denim integration now!
